AMBULANCE BILLING AND COLLECTION SERVICES RFP:

Deputy City Manager Pam Hodge approached the rostrum to respond to a question from Councilor Davis regarding the RFP for ambulance billing and collection services. She explained that she is not familiar with the RFP and invited Fire Chief Scarpa to the podium to explain.

Fire & EMS Chief Sal Scarpa approached the rostrum to explain the RFP and stated the Fire Department has been working with the Finance Department to identify various ways to increase revenue. He stated when a patient is transported by ambulance, the Fire & EMS Department bills the patients for the service and revenue from that service has been stagnant. He explained the best practices around the country are to outsource billing and collection services for EMS transport. He then went on to explain the process in which a patient is currently billed and then how it would be handled with a vendor.

Finance Director Angelica Alexander approached the rostrum to explain when the vendor receives payment from the patient, they would take their fees out and cut a check to CCG, where the payment would then be processed. She went on to explain the Columbus Police Department processes the payments received from the False Alarm Program and she would expect the Fire & EMS Department to do the same for the services they provide.

Councilor Glenn Davis expressed his concerns for the Fire & EMS Department being responsible for processing these payments and recommends the Finance Department to manage the process since this is what they do each day. He also suggested that the collection company send all of the revenue to the city, and the city would verify and send the collection agency their fee.

Councilor Charmaine Crabb explained that it is standard operating procedure for the collection agency to collect the revenue, deduct their fee, and send the remainder to the city. This would be on a commission basis, which incentivizes a higher collection. She maintained the control should stay in the Fire & EMS Department and encouraged Council to approve an additional position to handle these payments if requested in the future. She stated the Fire & EMS Department is the only ones that can reconcile these payments properly.

REFERRAL(S):

FOR THE CITY MANAGER:

- Bring back the options/resources available to handle the EMS transport service payments. *(Request of Mayor Henderson)*
- See about having someone associated with the Fire & EMS Department handling these payments, but not an actual firefighter. *(Request of Councilor Thomas)*

EMERGENCY PURCHASE

Emergency Purchase – Information Only

POST-ACCIDENT DRUG SCREENING – AFTER HOURS, WEEKENDS AND HOLIDAYS:

On October 16, 2023, the City Manager was notified by Human Resources, that the vendor under contract to perform Employee Physicals will no longer be able to provide services for Post-Accident Drug and Alcohol Screening – After Hours, Weekends and Holidays due to staffing issues.

The City awarded a five (5) year contract to Occupational Medicine of Columbus on April 27, 2021, per Resolution No. 125-21. The original RFP for Employee Physicals was revised to include the services prior to being awarded.

Occupational Medicine of Columbus has worked with Human Resources to identify a vendor who can perform the post-accident screenings. Fastest Labs of Columbus is able to perform the screenings after-hours, as well as on weekends and holidays. The vendor has agreed to charge \$45.00 for the screen and \$50.00 per hour charge (one hour minimum). There may be an additional charge if a Medical Review Officer (MRO) is needed. The number of accidents that occur after-hours/weekends/holidays is minimal and estimated to be approximately twenty-five (25) occurrences or less per year.

For a period of sixty (60) days, ending on December 17, 2023, Occupational Medicine of Columbus will act as a pass-through for Fastest Labs of Columbus. After that date, the City will work directly with Fastest Labs of Columbus to perform the services for a period of ten (10) months, ending December 17, 2024. During this time, Purchasing will prepare an RFP for a contract.

The City Manager approved the emergency purchase on October 16, 2023.

Funds are budgeted each fiscal year for this on-going expense: Various Departments – Pre-employment Physicals.

7. UPDATES AND PRESENTATIONS

- A. Judicial Center Update - Pam Hodge, Deputy City Manager, Finance, Planning & Development, Ryan Pruett, Director, Inspections & Code

Inspections & Code Director Ryan Pruett approached the rostrum to introduce the speakers present from Barnes Gibson Partners Architects, LLC and Gilbane Construction.

Principal Architect Will Barnes, Barnes Gibson Partners Architects, LLC, approached the rostrum to provide a presentation on the new judicial center. He explained the design of the building while various images were shown on the overhead projector.

Senior Project Executive Henry Painter, Gilbane Building Company, approached the rostrum to provide information on the budget for the new judicial center project. He went through the design process from the beginning of the project and how changes were made to the design to stay within budget.

Deputy City Manager Pam Hodge approached the rostrum to provide a presentation on SPLOST bonds and the budget pertaining to the new judicial center. She explained an unusual occurrence is happening where bonds were issued at 1.5% and the City of Columbus is earning 5% in interest, but since these bonds were tax exempt bonds, CCG will be required to rebate some of the revenue back to the IRS.

Councilor Crabb made a motion to approve the expanded design option to include additional four shell courtrooms, with funding coming from the General Fund and/or OLOST Infrastructure Reserves, seconded by Councilor Barnes and carried unanimously by the nine members present, with Councilor Cogle being absent from the meeting.

B. School Zone Camera Update – Pam Hodge, Deputy City Manager, Finance, Planning & Development

Deputy City Manager Pam Hodge approached the rostrum to provide an update on school zone cameras. She explained a school zone camera license agreement was received from the vendor RedSpeed to install school zone cameras on the city’s right-of-way around St. Luke Private School and Brookstone Private School.

Major Jonnie Ellerbee, Muscogee County Sheriff’s Office, approached the rostrum to respond to a question from Mayor Pro Tem Allen and explained where citation payments go after a ticket is issued. He explained the vendor would collect a fee and the remainder would go to the Muscogee County Sheriff’s Office.

Councilor Tucker made a motion to approve the school zone camera license agreement for 11th Street between 2nd Avenue and 3rd Avenue, 3rd Avenue between 11th Street and 10th Street, and Bradley Park Drive between River Road and Bristol Boulevard.

Mr. Lynn Westmoreland, RedSpeed Representative and Former Congressman, approached the rostrum to address the power being terminated from existing cameras, which have been running on a generator. He explained this agreement is a partnership between the vendor and the Muscogee County Sheriff, and the funding received is required to be reserved for public safety by legislation.

REFERRAL(S):

FOR THE CITY MANAGER:

- Wants to hear from the Muscogee County Sheriff on where the money will be going once received and requests a commitment that the revenue will be shared with the other public safety departments.
(Request of Mayor Pro Tem Allen)
