Mayor Pro Tem R. Gary Allen expressed his concerns regarding moving the Internal Auditor directly under the City Council, in respect to the Internal Auditor's charge over the Whistleblower Program. He explained he believes this would bring Council too close to the Whistleblower Program with only one step between them. He asked Councilor Hickey if he would consider Council moving the Internal Auditor under the direction of the Audit Committee, which would allow two Councilors to have input on what that employee is doing. He shared another concern being who would this employee report to regarding their annual evaluations or personnel questions.

Councilor Toyia Tucker responded to Mayor Pro Tem Allen, stating she serves as the Vice Chair for the Audit Committee, and this is something that the committee has been discussing since its establishment. FARMER'S MARKET:

Councilor Joanne Cogle stated the City Manager met with the Columbus Football Club yesterday and came to no conclusion. She explained the notes she received said that the CCG would need to complete an RFP, there were concerns expressed that there was not a public benefit, and whether there was going to programing for low-income youth. She said they have been looking for an area for soccer fields for some time now, this is a viable location, and there is a lot of donor money on the table that would move this project forward. She stated she argues that other recreation sites did not require an RFP and that the Columbus Football Club is willing to work with Community Reinvestment Director Scott in implementing a program for low-income youth.

Deputy City Manager Pam Hodge came forward to share the wording listed on the deed for use restrictions of the property, stating that the property must be for public use, or it reverts to the State of Georgia.

Assistant City Attorney Lucy Sheftall came forward to further explain that this property was not already owned by the City of Columbus nor was it acquired for a legal purpose. She stated this property was specifically deeded to the City by the State of Georgia with a restriction that stated that it must be used for public purposes and went further to enforce this restriction by saying the land goes back to the State. She explained that the Columbus Football Club discussed and do not want the property to go back to the State, so all that is needed is a process to ensure that we comply with the restrictions and that of the CDBG Grants so the City does not have to pay back \$1,000,000.
